

1847

Welcome

Like you, we strive to stay at the top of our game, day in and day out. Not only was 1847 the first dedicated grooming lounge for men to launch in the region, but we helped revolutionize the male grooming industry worldwide when we launched the exclusive brand.

Our success is built on our values and our values are built on our commitment to offering a first-class, superior service

Treatments have been tailor-made to cater to your every need and sophisticated and high-end product range is simply the best in the industry

Our award-winning founder, Negin Fattahi-Dasmal, made the bold step to launch 1847 and like many other successful entrepreneurs, has been instrumental to its growth and continues to lead from the helm

Designed for the man-on-the-go and those who can afford some extra relaxation time, 1847 is the place to go

Stay ahead.

Cutting Edge

You're always at the forefront of business, so it's important to remain at the cutting edge of grooming. 'The Barbershop' at 1847 will keep you looking your best, with a collection of traditional and therapeutic gentlemen's shaves.

You can choose from our high-end grooming brands, 'VITAMAN' and 'Gentlemen's Tonic'.

TRADITIONAL SHAVE - 'Gentlemen's Tonic'

AED 65 (20 minutes)

An essential component of your daily grooming routine, this treatment starts with a steaming hot towel to open the pores and soften the hair. After the pre-shave oil, our experts carefully shave your beard before applying hydrating after-shave balm, to calm and revive the skin.

PERFECT SHAVE - 'Gentlemen's Tonic'

AED 85 (25 minutes)

Designed for those with sensitive skin, we apply a hot towel and pre-shave oil before lathering the skin in a gentle cream to soften the facial hair. Followed by rose water and a post-shave balm that will minimize irritation and replenish moisture levels.

'1847' SHAVE

AED 150 (35 minutes)

Leave us feeling utterly refreshed with this indulgent and luxurious traditional shave. This signature shave has a deep cleansing mask that will revive, soothe and purify your skin whilst cleansing your pores, leaving you feeling relaxed and ready to close those deals.

Face to Face

Even in this virtual world, your rugged good looks still play a vital part in your personal and professional success. Our range of facials suit the needs of demanding executive lifestyles and feature luxury international men's skincare brand as GENTLEMEN'S TONIC.

EXPRESS FACIAL

AED 160 (30 minutes)

When you're short on time but your skin needs a boost, we will have you ready to face the world in less than 30 minutes. So that you're back in time at your desk looking bright-eyed and refreshed, let us cleanse, exfoliate, massage and moisturize your skin while you're doing your other essential grooming treatments. Can be experienced alone in the treatment room or as part of your treatment in 'The Barbershop' or in 'The Study'.

DETOX FACIAL - 'GENTLEMEN'S TONIC'

AED 380 (75 minutes)

The Detox Facial is perfect for reliving congested, prone-to-breakouts skin to instantly improve the tone, clarity and overall complexion. Relax with our signature head, neck and should massage after a deep cleanse and exfoliation with the vitamin facial buffer scrub. An anti-oxidant peel is then applied to ensure pores are unblocked and open to allow for a deep extraction to help create clearer and calmer skin. Whilst the peel works its magic enjoy a relaxing hand and arm massage before finishing off with The Eliminator Mask, revitalizing eye cream and deep moisturizing lotion leaving the skin feeling refreshed and balanced.

HYDRATING FACIAL - 'GENTLEMEN'S TONIC'

AED 325 (60 minutes)

The most effective facial to combat premature ageing, this treatment will leave your complexion looking soft, smooth and super-sleek. It begins with a complete skin assessment before exfoliation followed by a head neck and shoulder massage – and we don't stop there. Your skin is then soothed and refreshed using a blend of serums and boosters enriched with nourishing anti-oxidants, vitamins and soothing botanical extracts. Wait, there's more! A hydrating mask is applied alongside a relaxing hand and arm massage, followed by a revitalizing eye cream and a power packed nourishing moisturizer leaving the skin feeling truly indulged.

ADVANCE ANTI-AGEING FACIAL - 'GENTLEMEN'S TONIC'

AED 465 (75 minutes)

If you're looking to target fine lines and wrinkles then The Advanced Anti-Ageing Facial is for you. After cleansing and exfoliation is complete, pores will open with a unique formulation that allows for a deep extraction. After, enjoy a stress-relieving head, neck and shoulder massage, followed by a hydrating mask with active anti-oxidants and concentrated vitamin serums to accelerate cell renewal and promote the production of collagen. During the mask you will be in complete relaxation with a hand and arm massage before finishing off with the revitalizing eye cream and power packed nourishing moisturizer for a more youthful and refreshed complexion.
